Good Morning All,

I just got off the phone with Kelly Zito and she suggested we put a plan together regarding how we want to communicate EPA's role in the State of CA UIC Program. Nahal needs some assistance from us to determine next steps regarding the press inquiries that came in yesterday. It appeared that everyone was available at this time to discuss. I wasn't sure how everyone's schedule looked tomorrow, but have an understanding that Nahal will need some messaging help sooner rather than later.

Thanks,
Audrey
